F O R E W O R D

On behalf of the Central Georgia Genealogical Society, I wish to express our appreciation to our member Mr. William R. Henry, for his compilation of the 1830 census of Houston County, Georgia for publication by our Society. Mr. Henry has devoted many hours of his labor in researching the census film and in preparing typescripts in final form for printing.

We wish also to express our graditude to the Trustees of the R. J. Taylor, Jr. Foundation who awarded our Society a grant to assist in the various non-labor costs of compiling the census and the publication cost. The Foundation also absorbed the expense for publishing twenty-five additional copies which they will distribute to various libraries in the region.

It should be noted that this is the first Federal Census of Houston County. The county was created from Creek Indian land in 1821 using the land lottery system and became Georgia's fifty-first county. It was named for John Houston who served as Governor from 1778 to 1784. Perry is the county seat. The county at time of 1830 census was larger than today and included all of present Peach County and all of the 15th Land District and part of the 8th Land District now in Macon County.

1830 HOUSTON COUNTY, GEORGIA

This sketch shows the 1830 layout of Houston County, Georgia and it's neighbors, In 1837 Macon County was established from Marion County, the northwest tip of Dooly County and the 8th and 15th Land Districts of Houston County. In 1870 the western part of the 14th Land District and the southwest part of the 9th Land District became a part of Macon County forming the current western boundry of Houston County as shown by the broken line. In 1924 Peach County was established from parts of the 5th, 6th, 8th, 9th, and 10th Land Districts forming the current upper western boundry of Houston County as shown by the broken line.

I N T R O D U C T I O N

Transcribed and condensed from Federal Census Microfilm M19-18. Two different microfilms of this census were compared for clarity and interpretation. A printed 1830 Georgia census index was also consulted for a few difficult cases before making final interpretation. In every situtation an attempt was made to interpret the precise spelling of names by the enumerator. No changes were made to corret the spelling where it appeared to be incorrect. In some cases various characters of the enumerator's hand writing appeared faded and partly illegible. In such cases the best interpretation in the opinion of the compiler is given.

The 1830 Federal Census used two pages of data for each Head of Family. To confine condensation to one page the age brackets of all slaves and free colored were not used. The use of a pre-printed format for extraction and condensation is self explanatory. Codes used in the Remarks column are "B" for Blind, and "D" for Deaf and Dumb.

Remarks: B on P262, one slave or free colored person.
D on P267, one white person age 14-25.
D on P281, one white person age 14-25.
D on P282, one white person age 25 and over.

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U. S. Internal Revenue Service has determined that the Society is a tax-exemption organization under Section 501(c), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

GEOGRAPHICAL AREA: The Society's area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX, and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical, and heraldic data;

To inculcate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues are: $15.00 for individual membership; $20.00 for family membership (husband and wife, or two related persons in same household), and $30.00 for sustaining membership (minimum - no maximum).

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published in March, June, September, and December and is mailed to all members in good standing. The Society exchanges quarterlies with a number of genealogical societies and mails free copies to selected libraries. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has been received by the Society. These books then become part of the Society's permanent library. Members are encouraged to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without prior permission from the copyright holder. The Society, and authors of articles, will appreciate appropriate credit. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society, when available, within one year from date of publication for $3.00 per issue — postpaid within the U.S. After one year, or earlier if stock is depleted, copies must be photocopied locally and the cost is $4.00 per issue, postpaid within the U.S.

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published four times per year as number 1 thru 4 and is mailed to all members in good standing. The annual volume number represents the years in existence. Many other societies, who are members, receive our QUARTERLY. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has been received by the Society. After review these books are donated to the Genealogical and Historical Room, Washington Memorial Library, Macon, GA., whose holdings are one of the largest in the southeast. Members are encourage to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without permission from the copyright holder. Appropriate credit will be appreciated. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society when available. The Society welcomes the opportunity to publish FAMILY PEDIGREE CHARTS for members. Minimum coverage of four generations is required. Our computer designed charts provided for as much information on the fifth generation as the second, third and fourth - most charts provide much less. Give us as much complete information as possible on available forms and separate paper.

MEETINGS: The Society holds regular monthly meetings with planned programs. In addition to the program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work. Visitors and guest are always welcome to attend regular meetings of the Society. Our current membership covers many states and we invite you to join our Society.
